Cover Image: SAPF President Peter Phillips spotted playing a different role in December 2009.

A new year arrives and we are all about to dive back into our club activities. On behalf of the SAPF Committee I wish you all a peaceful, productive and successful new year. Success is not necessarily about winning, but about continually improving oneself in one's endeavours whatever they may be. Perhaps you are like me in finding that the advancement up the steep learning curve of technology is slow, sometimes painfully so. All I can advise, if I may be so bold, is to talk to people, listen to people and take on board hints and clues and give them a go, and good luck!

JERRY COURVOISIER WORKSHOP

Adobe Photoshop Lightroom: Start to Finish Workflow for Photographers with Jerry Courvoisier.

Date: February 26th - 27th (Fri - Sat)

Location: Atkins Technicolour 89 Fullarton Rd Kent Town , SA 5081

Don't miss the opportunity to learn Lightroom from start to finish in this two day "hands on" workshop in February. Jerry shares his strategies for making clear choices on how Lightroom can simplify your photography workflow.

See why the application puts the focus on the word "speed". Photographers will spend less time in front of their computers and more time behind their cameras.

Registration links and complete workshop information can be found at <http://www.jerrycourvoisier.com/workshops/photoshop-lightroom/>

SAPF Annual Exhibition

SAPF ANNUAL

As previously announced the SAPF Management Committee has undertaken to reinstate the SAPF Annual Exhibition in 2010 after cancelling last year. Dan Pangrazio and I (Peter Phillips) have jointly taken on the Director's role, but will need help beyond that able to be provided by the Management Committee alone.

Please consider volunteering to be of assistance. Numbers will be needed to sort print entries, enter data, project images, be "runners" with information both before and during judging.

The entry form is to be distributed shortly. Individuals will be able to enter Colour and Monochrome prints in the sections Open Pictorial, Landscape/ Seascape, Nature and People/Portraiture. There will be a variation in Projected Digital Images in that Nature is being replaced by Travel (Photo-travel).

Club sets will be will be set subjects, "New Life" for prints, and "Wheel/ wheels" for projected digital. I note that 1 club, Marion Church of Christ, has already set these subjects for club competition in preparation for the Annual.

There will be no slide competitions this year.

The Exhibition will be at The United Eastern Association Masonic Complex, 1 Fisher St., Tusmore from 10am on Saturday 10th July, with the official opening at 7.30pm, and will be open on Sunday 11th from 12 noon to 6 pm. Volunteers needed to hang and dismantle the exhibition.

That's all for now.

Happy snapping
Peter Phillips

2009 - SAPF ANNUAL AV EXHIBITION

A successful SAPF AV Annual was held on Sat. Nov. 7 2009 with 29 people attending. After receiving & previewing 18 audio visuals from 13 entrants, the varied programme provided an entertaining night, in my opinion the standard overall was raised over last year.

The AV sequences covered an interesting array of stories & photographs ranging from contemporary architecture through to 5000 year old village ruins. The audience were taken to places in & around Adelaide, Kangaroo Island, the River Murray & even overseas to New Zealand, Barcelona & Greece. Animation techniques appeared in some sequences for the first time for this exhibition.

Neil Gray (Director SAPF AV Annual) opened the Exhibition thanking the entrants for their contributions. Anne Emmett was introduced as the judge for the exhibition. Anne provided the audience with an insight via some thought provoking questions on how she was tackle her role as judge.

After viewing & judging all 18 sequences it was time to present the awards.

Neil announced the following awards & place getters:

Music, Poetry or Song Section:

John Hodgson - 1st Place for "Colours of Greece"
Graham Hawkins - 2nd Place for "Early Morn"
Judith Hodgson - Merit Certificate for "Winterrise"
Judith & John Hodgson - Acceptance for "The Letter"

Exhibition Report (continued)

Open Section:

Barbara Mullins & Ron Davies - 1st place for “Haunted by Time” & an acceptance for: “Man of Destiny”

Graham Hawkins - 2nd place for “Kangaroo Island”

Barbara Mullins - Merit Certificate for “NZ Walk”

As mentioned earlier, the night promised entertainment, and that it did. Most, if not all were enjoying socialising & discussing “their” favourite audio visuals over tea, coffee & supper that included an entertaining raffle draw.

Thanks to all involved, entrants, judge, SAPF, attendees & helpers, the 2009 SAPF AV Annual was a very successful event. Hope to see you next year.

Regards
Neil Gray

MURRAY BRIDGE INTERNATIONAL PHOTOGRAPHY CLUB

Eleven members of the Murray Bridge International Photography Club recently went on an outing to Meadows and Prospect Hill. Their first stop was at Thimbella at Paris Creek run by Dot Andrews where they saw Dot's 30 year collection of various ornaments and thimbles, then on to Prospect Hill Museum run by Joyce Smart. After lunch members visited Choccarloo Forest at Kuitpo for a walk around and finished the day at a private garden called Rose Meadow near Prospect Hill.

Murray Bridge International Club received \$395 from the Rural City of Murray Bridge Community Events, Grants and Donations Programme of September 09 to purchase a new projection screen. With digital projected images becoming the more popular medium the 2030x2030mm tripod screen will be a great asset for many years. Members are very appreciative of the donation from Rural City of Murray Bridge.
